DAVID ROGERS FROM THE EDITOR

Good afternoon everyone, and a warm Champion Hill welcome to you and to the players, staff and supporters of today's visitors, Actonians.

Time flies and we are approaching the holiday season and the halfway point of the season.

With two more games to go this year, we face Actonians today which will be a real test on whether we have got our season back on track again.

I would like to wish a happy birthday to Alex Wilson from the Pepper Army today. He can be found in the news section doing Terrace Talk.

We also have a Team Talk interview with Lucy Monkman where she confesses she nearly ended up supporting West Ham!

Enjoy your day, make some noise. And of course, enjoy the game...

LEIKAM CHING

FROM THE ASSISTANT MANAGER'S DESK

Good afternoon. I would like to wish everyone at Champion Hill today a very warm welcome.

We are happy to host Actonians WFC's players, management team, and supporters, and to share with them the Dulwich spirit and hospitality.

Today is an important match, and we are ready for the challenge. The results in the past few weeks have not reflected the true ability that we have within this squad. When that happens, you have to strip things back and look at the basics, and this week our primary focus has been exactly that.

Football comes down to physical ability and decision making under pressure, we have put a lot of emphasis in these two concepts to be better prepared to compete every week.

In training, we have reconnected with the fundamentals and focused on our strengths. The team have executed the tactical adjustments with conviction during the week and are dedicating additional time to improving fitness levels. It is

PHOTOGRAPH: LIAM ASMAN

also important to highlight the effort that players are making to leave injuries behind and make themselves available for training and match days.

I expect to see greater intensity in defensive duels, ball movement to create danger, finish opportunities created in the opposition half, confidence in finding solutions as a team, and a tighter, more resilient performance against Actonians.

The team's attitude and work rate towards changing our position in the league has been very positive. I have full confidence that we will

compete well today and create all chances to take the three points at home.

Since our last home game, we have welcomed new players, including academy players from London City Lionesses and Tottenham Hotspur FC. They are looking forward to the spirit of Champion Hill, and we are all looking forward to delivering a performance that will make the supporters and especially the Pepper Army proud.

I hope you enjoy the game, and thank you for your unwavering support. Up the Hamlet! Leikam

BRIT SAYLOR
DIRECTOR'S NOTES

Welcome back to Champion Hill as Dulwich Hamlet face Actonians. Thank you for being here and for the incredible support you've shown, especially over the past few difficult weeks.

We've faced a serious injury crisis and travelled to games without a fully fit squad meaning that the results have been less than ideal. So you being here today means everything to the players and staff.

As we approach the end of the year, this run of fixtures is hugely important. After speaking with our leadership and co-captains — Asia, Erin, and Lucy — I can say confidently that the group is working tirelessly to turn our recent form around. Their commitment has been outstanding, and they are determined to secure a result at home for the fans who have continued to stand with them.

Actonians will be a tough

opponent. They're an experienced, well-organised side with solid FAWNL pedigree, and we know today will demand our best. But this squad has shown resilience throughout the season, and we believe in their ability to rise to the challenge.

Off the pitch, we're proud to continue supporting our community. Throughout December, we'll be raising money for King's College Hospital and The Albrighton Centre, with funds split equally. We are also

launching a food bank drive for our home matches in December to support local families during the winter period. A JustGiving page is now live and accessible through our website and social media for anyone who wishes to donate.

Thank you again for your support, generosity, and commitment to this team. It makes all the difference.

Enjoy the match — and Up the Hamlet!

CAPITAL SENIOR CUP... WE DRAW MILLWALL AT HOME

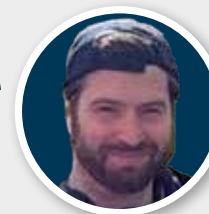

We have been drawn to play Millwall Lionesses in the New Year in the Capital Senior Cup which will take place at Champion Hill on Sunday 18th January at 2pm.

The Lionesses play in the London and South East Regional Women's League, a league we are rather familiar with.

They currently sit 6th in the League.

The last season we faced Millwall when we were in that league ourselves in 2023/24.

We won 1-2 at St Paul's Sports Ground and won 2-0 at Champion Hill.

Supporting Hamlet Women Since 2022

What first drew you to Champion Hill?!

Modern professional football is a sickness, it turns out this is the cure.

What was your first Hamlet Women's match?

Millwall (H) on 25 Sept 2022 which, thanks to a conucopia of coincidences in the club bar, was also the birth of the Pepper Army a few hours later.

What keeps you coming back?

I genuinely don't think there's a better (or better value) way to spend a Sunday afternoon in London. The football's good, and the people on the terrace are even better.

Your favourite ever Dulwich player?

Ceylon Andi Hickman. Partly because of her late-career reinvention as the Ginger Pirlo. But mainly because if it wasn't for her, we wouldn't have the vibrant supporter culture that makes the women's half of this club so distinctive. She's a load-bearing pillar of Dulwich Hamlet FC, and god help us if she ever decides to do something else.

Your favourite season watching Hamlet?

Has to be the laserwaffle promotion year doesn't it? Those seasons don't come around very often, and few other summer days can encompass minor acts of political terrorism, pyro on the terrace (absolutely no idea your honour, must've been the home fans) and a roundabout party until the wee hours of Monday morning.

This season will mark the seventh season for Dulwich Hamlet Women, since the players and staff of AFC Phoenix merged with the Hamlet in the summer of 2019.

Phoenix had worked its way through the ranks of the football pyramid to the London & South East Regional Women's League (Tier 5) after a title-winning 16-17 season.

After two consecutive second-place finishes and a cup final win, the decision was made to seek out the support the women playing for the club deserved, and merge with an existing men's club that matched their ethos and ambition.

After playing their final league game of the 18-19 season at Champion Hill, narrowly losing to Kent Football United and missing out on promotion, the two clubs would link up and our women's side was born.

Heartbreak would hit the side in their first season, as manager Farouk Menia lost his battle with a long illness and passed away, with current manager Ryan Dempsey taking over and continuing Farouk's excellent work, guiding the side to two top place finishes, only for the pandemic to intervene, and QPR were chosen by the league for promotion instead of the Hamlet in 2021, despite us having a greater points-per-game record across the two seasons.

After the near-miss of promotion to the

National League, optimism was high ahead of 2021-22, but it would be a disappointing one for the side, as inconsistency saw them end the campaign in fifth.

However, a first cup final as the Hamlet was reached, losing 2-0 to Ashford Town in the Capital Senior Cup at Meadowbank in Dorking.

2022-23 brought with it the continued rise of the Pepper Army, our faithful group of supporters, with league attendances averaging 350.

The side would go on a club-equalling eight game unbeaten run during the spring, ending the season in fourth, and playing a match at the New Den on the final day of the season.

The highlight was undoubtedly the FA Cup run, with the side reaching the proper stages of the competition for the first time, with Aylesford then beat in Round One to set up a tie with Tier 3 Gillingham at home in Round Two.

In front of a record 631 fans, the Hamlet could not force an upset, losing 2-1. The 2023/24 season was undoubtedly the most successful season yet.

The team reached the second round of the FA Cup for the second season in a row losing to Billericay Town 2-1.

They would go on to win the league and get themselves promoted to the Women's National League South East on the last day of the

season beating Saltdean United FC 5-1 at Newhaven FC.

Last season saw Captain Brit Saylor retire from football and join the club's board of directors.

The last home game she played was a 3-0 win against Enfield FC when the club smashed the attendance figure with 1,142 coming through the gates.

The season saw average attendances rise to 450.

The 2024/25 season saw the Hamlet finish 8th in the League and reach the final of the Women's Capital Cup where they were defeated 2-0 by Arsenal.

The end of the season saw manager Ryan Dempsey resign to pursue other opportunities and former Arsenal Academy manager Maria Tavares was appointed as manager for the 2025/26 season. The club have also run a

Reserves side throughout their time as the Hamlet. Beginning in Division 1 of the Greater London Women's Football League in 2019, the side would earn promotion to the Premier Division at the end of that season, and despite the pandemic, would be chosen for successive promotions at the end of the 2020-21 campaign.

This meant they would join the London & South East Regional Women's League, competing one division below the First Team in Division One North, and would enjoy a very successful first season at the level, eventually finishing third behind Sutton United and Dorking Wanderers.

In the 2024/25 season the reserves reached their league cup final and played Clapton CFC at Maidstone United.

The game was controversially called off after 20 minutes and not replayed.

Actonians WFC was founded in 1998 as Chiswick United consisting of one women's team playing at Southfield park in Chiswick.

They currently play in the FA Women's National League Division 1 South East and are sat seventh in the league with 13 points.

The team entered the Greater London League in 1999 and two years later a reserves team was formed. Four years and a promotion later the decision was made to move to Acton (Park Place, the old District Line ground) and become Acton Sports Club. They had another five successful years there and the first team won another three promotions.

In 2008 they found themselves homeless when the ground changed ownership the club contacted the then Old Actonians who welcomed them to play at the Old Actonians Association Sports Ground.

The ground hosted both senior and reserve teams and remains central to the club's identity.

Due to ground grading requirement, they move their home ground to North Greenford United's Berkeley Fields at the start of the 2025/26 season.

As of 2025, the club also changed their designation from "LFC (Ladies Football Club)" to "WFC (Women's Football Club)" to better reflect modern naming conventions.

They have won both a regional league title and league cup double in 2014/15, and in 2018/19 they won the Capital Women's Senior Cup final beating Leyton Orient 1-0.

They were runners up in the same competition in 2021, losing on penalties to QPR after a 2-2 draw.

In the 2024/25 season Actonians Reserves caused a shock by knocking out Premier Division side Barking, knocking them out of the London & South East League Cup.

PHOTOGRAPH: ACCTONIANS "X/TWITTER"

In our recent meetings, we lost 1-2 to the last February and earlier in the season we beat them 2-0 at Chmpion Hill with goals from Jodie Lodge and Tash Stevens.

In January 2023 we faced them at Champion Hill in the Capital Senor Cup and lost 2-0.

At the beginning of the season Actonians

made a large number of signings including former Dulwich player Angie Dunbar Bonnie and added to their management staff when Loki Kapoor Parsons joined as First Team Coach, Lapo Saladini joined as Goal Keeper Coach and Dominika Netschova stepped up into the Assistant Manager role.

Their top scorer this season is Angie Dunbar Bonnie with six goals.

TEAM TALK

LUCY MONKMAN

NAME LUCY MONKMAN
SHIRT NO. 14
POSITION WINGER/MIDFIELD

When did you first come to Champion Hill?

I first came to Champion Hill in 2018. Alongside former teammates Brit Saylor and Zoe Elmore, we sat down with chairman Ben Clasper and Tom Cullen to talk about bringing our women's side under the Dulwich Hamlet badge and that's how Dulwich Hamlet Women officially came to life.

How did you come to join Dulwich Hamlet?

At the end of the 2017/18 season as AFC Phoenix we officially became DHFCW and so naturally the whole team

transferred over into pink and blue. Including me!

Can you play anywhere else?

I'll play anywhere the gaffer needs me.

What other clubs have you played for previously?

AFC Phoenix, Epsom Eagles and a short time at London Bees when they were in the Championship. Before that I actually took a 10 year hiatus from football. I was in the Chelsea Centre of Excellence as a kid.

Any trophies in the cabinet?

Tier 5 Champions (DHFC), Tier 6 Champions (AFC Phoenix), Tier 6 League Cup (AFC Phoenix), Tier 7 Champions (Epsom Eagles)

■ LUCY DJING AT GLASTONBURY 2023

Who would you consider the best player you've ever played alongside and why?

I played in a West Ham first-team pre-season friendly against London City Lionesses, definitely the highest level I've ever played at. Mackenzie Arnold was in goal for us fresh from the World Cup, Dan Carter up top for LCL... a pitch full of world-class players.... and me, haha.

Best moment in football so far?

Definitely winning the league with DHFC, celebrating with the fans on the roundabout and seeing off Captain Saylor with a tremendous win at home in front of the Pepper Army.

Tell us about the best goal you've ever scored.

I think, last season scoring against Norwich at home was a buzz. The goal itself wasn't that pretty, but to score the first league goal for us in the National League. Felt like a small part of club history.

Favourite moment since joining Dulwich Hamlet?

Winning the league, celebrating with the

Pepper Army and everyone who had helped us along that journey. And also just the week to week stuff we probably take for granted. Laughing on the bus with the girls, singing in the changing room, being with my mates!

Hopes and ambitions for the season?

The margins are so small this season, but we've started to gain some momentum. Built from togetherness and finding out identity and now

we're seeing that pay off with results. I'd love to win a cup, and just keep taking the league week by week, putting points on the board.

Favourite stadium you have played in? (apart from Champion Hill)

The Emirates

Tell us something about yourself none of us know?

I almost ended up supporting West Ham as a kid. Big swerve that

was.

Finally, if you could change one rule in football, what would it be?

Foul throw ins. Obviously there needs to be some rules on how you throw in the ball. But when someone throws it slightly wrong (like you see in games often, especially if someone is throwing short) I don't see what the advantage is.

THE ISTHMIAN LEAGUE RESPECT STATEMENT

The Isthmian Football League strongly supports the Football Association's statement that there should be a zero-tolerance approach against all forms of discrimination. Any inappropriate conduct toward others, including but not limited to that based on an individual's sex, race, colour, weight, size, religion and belief, national origin, age, marital or domestic - partnership status, disability, sexual orientation, or gender identity or expression, will not be tolerated and will be reported to the relevant authorities.

The Isthmian League and our Member Clubs are committed to promoting equity and equality by treating all people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of our communities.

MATCHDAY SPONSORSHIP

We still have opportunities remaining for supporters or local companies to be Dulwich Hamlet sponsors during the 2025/26 season.

You can choose to sponsor either a full match or just simply the match ball...

BALL SPONSOR

Includes two tickets, young fans leading the team out, a match ball signed by the first team and both match day programme and pre-match announcements.

MATCH DAY SPONSOR

Includes four tickets, boardroom access, reserved seating, food and drink, a mention in the match day programme and a pre-match announcement.
