DAVID ROGERS FROM THE EDITOR

Good afternoon everyone, and a warm Champion Hill welcome to you and to the players, staff and supporters of today's visitors, MK Dons.

I will start with a big shout out to all the fans who braved the journey to Swindon Town for our first round FA Cup game and took out a large bank loan for the extortionate train fare.

Sadly we did not get the result we wanted but myself and Scolly got some exercise by needlessly walking up Swindon's steepest mountain and back down again. Thanks Ben ;-)

Now we have our run of cup games out of the way, we are back to putting our league campaign on track, which is why you are all here this afternoon!

Enjoy your day, make soem noise.
And of course, enjoy the game...

MARIA TAVARES FROM THE MANAGER'S DESK

Welcome back to Champion Hill for today's League fixture against MK Dons.

As we move deeper into the season, it's fair to say it's been a challenging period for us as a group.

Results haven't always gone our way, and I know that frustration is shared — by the players, the staff, and by many of you in the stands who care so deeply about this club.

I want to take a moment to acknowledge that. I'm aware that some supporters are unhappy with recent performances, and that some are questioning the direction we're heading.

That comes with the job, and I understand it completely. Your passion for this club is what makes Dulwich Hamlet so special, and I never take that for granted.

What I can promise is that no one is working harder than this group to push forward. Every player is giving everything in training and on matchdays, showing

real commitment to improve and perform. As a manager, my focus is entirely on the here and now — helping this team grow stronger each week, play with belief, and show the kind of football that our supporters can be proud of.

This club means a great deal to me, and I believe in the potential of this team. We've got quality in the squad, and I've seen the spirit and fight that will help us push forward. It takes time, it takes patience, but most of all it takes unity — and that's something I still believe we have here at Dulwich

Hamlet.

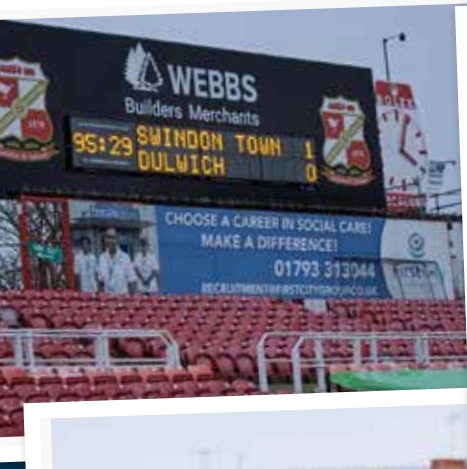

To every fan who continues to show up, sing, and support the team through the tough moments — thank you. Your loyalty matters more than you might realise. Together, we can steady things, build momentum, and move in the right direction again.

Let's stand together, keep believing, and give everything for the badge.

Come on you Hamlet!

BRIT SAYLOR
 DIRECTOR'S NOTES

Good afternoon and a very warm welcome to Champion Hill for today's FAWNL fixture between Dulwich Hamlet Women and MK Dons. A special welcome to our visitors, their staff, players, and travelling supporters.

Last weekend I travelled to Swindon Town and had the chance to speak with many of our incredible Pepper Army who made the long trip. Those conversations really made me reflect on how lucky we are to be part of this club. I heard that many of you spent around £60 to get there and back — that's an incredible commitment, and it doesn't go unnoticed.

While the result wasn't what we had hoped for, the backing from our supporters was a positive takeaway. Your passion, your singing, and your belief in the team mean

everything to the players and staff. You are, without doubt, the fabric of Dulwich Hamlet Football Club.

Our gratitude also extends to our volunteers, who work behind the scenes each week — making sure training runs smoothly, matchdays are organised, the radio is broadcasting, and our content is sorted.

You're an essential part of what makes this club so special, and we are so

grateful for your time and effort.

As for today's match, the league is beginning to settle, and competition across the division is tightening. There have been surprise results already — wins, losses, and draws — proving just how exciting and unpredictable this league can be.

Thank you for being here and for your continued support. Enjoy today's game — and as always, Up the Hamlet!

WELCOME... ESME JOHNSON

■ We would like to welcome Esme Johnson to Champion Hill.

Esme joins us on dual registration from London City Lionesses and made her debut against Chatham Town on Wednesday evening.

She had loan spells at Billericay Town and Millwall Lionesses last season, scoring 7 goals in 10 appearances.

CAPITAL SENIOR CUP... WE DRAW MILLWALL AT HOME

We have been drawn to play Millwall Lionesses in the New Year in the Capital Senior Cup which will take place at Champion Hill on Sunday 18th January at 2pm.

The Lionesses play in the London and South East Regional Women's League, a league we are rather familiar with.

They currently sit 6th in the League.

The last season we faced Millwall when we were in that league ourselves in 2023/24.

We won 1-2 at St Paul's Sports Ground and won 2-0 at Champion Hill.

JOE MCGINN

Age Thales of Miletus would know the answer just got older typing the answer out **Supporting Hamlet Women Since** 2019

What first drew you to Champion Hill?!!

Had nothing better to do on a Sunday between the Hours of 2pm and 4pm. Make that 11pm most of the time. Also to act as Dave Roger's Social Worker..

What was your first Hamlet Women's match?

First game was I think, was against Aylesford in 2019. Can't remember any dogs being there but we took the lead.

What keeps you coming back?

Craic to advise the management on what the line up should be and the opportunity to mention Cherry Orchard to Richie Byrne whenever I get the chance.

Your favourite ever Dulwich player?

Football is a team game. Never had one but it's an about creating a culture so will mention a few: Hickman, Monkman, Harbour Brown, Cruttwell, Robert's. Could go on and on and I normally Do. You don't need Google maps to find a pub!.

Your favourite season watching Hamlet?

Obviously winning the league seems such a long time ago. The Famous Brit Captain Cap I bought in Benidorm for 5 Euro.

Most memorable Dulwich match?

I would have to say Aylesford away in some park. I think we won 5-0. I remember Asia failing to control the ball and I went to collect the ball. Asia kicked the ball about 5 miles away in frustration. What more would Expect from an Arsenal fan..

Best DHFC away trip?

As above!

This season will mark the seventh season for Dulwich Hamlet Women, since the players and staff of AFC Phoenix merged with the Hamlet in the summer of 2019.

Phoenix had worked its way through the ranks of the football pyramid to the London & South East Regional Women's League (Tier 5) after a title-winning 16-17 season.

After two consecutive second-place finishes and a cup final win, the decision was made to seek out the support the women playing for the club deserved, and merge with an existing men's club that matched their ethos and ambition.

After playing their final league game of the 18-19 season at Champion Hill, narrowly losing to Kent Football United and missing out on promotion, the two clubs would link up and our women's side was born.

Heartbreak would hit the side in their first season, as manager Farouk Menia lost his battle with a long illness and passed away, with current manager Ryan Dempsey taking over and continuing Farouk's excellent work, guiding the side to two top place finishes, only for the pandemic to intervene, and QPR were chosen by the league for promotion instead of the Hamlet in 2021, despite us having a greater points-per-game record across the two seasons.

After the near-miss of promotion to the

National League, optimism was high ahead of 2021-22, but it would be a disappointing one for the side, as inconsistency saw them end the campaign in fifth.

However, a first cup final as the Hamlet was reached, losing 2-0 to Ashford Town in the Capital Senior Cup at Meadowbank in Dorking.

2022-23 brought with it the continued rise of the Pepper Army, our faithful group of supporters, with league attendances averaging 350.

The side would go on a club-equalling eight game unbeaten run during the spring, ending the season in fourth, and playing a match at the New Den on the final day of the season.

The highlight was undoubtedly the FA Cup run, with the side reaching the proper stages of the competition for the first time, with Aylesford then beat in Round One to set up a tie with Tier 3 Gillingham at home in Round Two.

In front of a record 631 fans, the Hamlet could not force an upset, losing 2-1. The 2023/24 season was undoubtedly the most successful season yet.

The team reached the second round of the FA Cup for the second season in a row losing to Billericay Town 2-1.

They would go on to win the league and get themselves promoted to the Women's National League South East on the last day of the

season beating Saltdean United FC 5-1 at Newhaven FC.

Last season saw Captain Brit Saylor retire from football and join the club's board of directors.

The last home game she played was a 3-0 win against Enfield FC when the club smashed the attendance figure with 1,142 coming through the gates.

The season saw average attendances rise to 450.

The 2024/25 season saw the Hamlet finish 8th in the League and reach the final of the Women's Capital Cup where they were defeated 2-0 by Arsenal.

The end of the season saw manager Ryan Dempsey resign to pursue other opportunities and former Arsenal Academy manager Maria Tavares was appointed as manager for the 2025/26 season. The club have also run a

Reserves side throughout their time as the Hamlet. Beginning in Division 1 of the Greater London Women's Football League in 2019, the side would earn promotion to the Premier Division at the end of that season, and despite the pandemic, would be chosen for successive promotions at the end of the 2020-21 campaign.

This meant they would join the London & South East Regional Women's League, competing one division below the First Team in Division One North, and would enjoy a very successful first season at the level, eventually finishing third behind Sutton United and Dorking Wanderers.

In the 2024/25 season the reserves reached their league cup final and played Clapton CFC at Maidstone United.

The game was controversially called off after 20 minutes and not replayed.

Milton Keynes Dons Women F.C., nicknamed "The Dons," was established in the summer of 2009 as part of Milton Keynes Dons F.C.'s commitment to women's and girls' football through the Milton Keynes Dons Sport & Education Trust (SET).

The team started in the lower tiers of the English women's football pyramid, competing in regional leagues under the initial name Milton Keynes Dons Ladies.

Their early home ground was Willen Road Sports Ground in Newport Pagnell, shared with amateur men's club Newport Pagnell Town F.C.T

The club quickly built a foundation focused on community engagement, aligning with MK Dons' broader ethos of youth development and inclusivity.

During this period, they emphasized grassroots growth, running programs for women and girls alongside their competitive ambitions.

In 2013, the team applied to join an expanded FA Women's Super League (WSL) but was not selected.

The 2017–18 season proved pivotal, as the team clinched the FA Women's National League Division One South East title, earning promotion to the third-tier FA Women's National League Southern Premier Division.

A landmark change came in the 2018–19 season when the team moved to Stadium MK, becoming one of the first clubs in England to have its men's and women's teams fully share a professional stadium.

Ahead of the 2019–20 season, the club rebranded from "Ladies" to "Women" to align with modern terminology and gender inclusivity. The COVID-19 pandemic disrupted the 2019–20 and 2020–21 seasons, but the team adapted, playing a

PHOTOGRAPH: MK DONS "X/TWITTER"

notable match against Watford at Stadium MK in September 2020.

They maintained momentum in cup competitions, reaching the Berks & Bucks Women's Senior Cup final in 2016–17 (runners-up) and winning it again in 2017–18 and 2018–19. In 2022–23, the team added another Berks & Bucks Women's Senior Cup to their tally.

The 2023–24 season in the Southern

Premier Division was tough, finishing 12th out of 12 and suffering relegation to the fourth-tier FA Women's National League Division One South East.

In May 2025, Milton Keynes Dons announced the women's team would be fully integrated into the club's operations for the first time ahead of the 2025–26 season, further announcing a full-time manager would also be appointed for the first time in the team's history.
