PROGRAMME EDITOR

Good afternoon and welcome to Champion Hill and welcome to our visitors this afternoon.

Last Sunday was a fantastic day, the sun was out, the Rabble was out (in full force) and the main stand was packed.

We did not quite beat our record attendance but the season is young!

We are looking for help this season. We are looking to recruit new writers and columnists to bring new content to the fans.

If you would like to get involved please email media@dulwichhamletfc.co.uk.

We are also looking for volunteers on match days to cover tasks such as programme selling, reception and stewarding.

If you want to get involved please email: info@dhst.org.uk.

Have a great day in the sunshine and up the Hamlet!

RYAN DEMPSEY

MANAGER

Afternoon everyone and welcome to today's game with Ashford United.

Your support was unbelievable last weekend! The Club and Supporters' Trust did a brilliant job in promoting the game and hopefully we can continue to push that support in the local community and our performances bring fans back week in, week out, to have this level of support at our level is amazing.

It was a difficult one to stomach last Sunday, it's not often you lose and say you're the better team, but that is exactly what I thought we were. We created the better chances and controlled the game but with the players Ebbsfleet have, if you do make a mistake, they can punish you.

We hit the bar and post and forced the keeper into some saves so there were loads of positives, but you need to take the three points to go with playing well!

Until the drinks break, we were outstanding, we just hadn't taken advantage of being dominant, but then we conceded two goals and Ebbsfleet were able to sit deep and make it difficult for us.

The front three were excellent. I am glad Summer scored, she could have even scored more, but that is one area I was really pleased with on Sunday, there are still things to work on as it is a fairly new front three, and we will look at how we can be even sharper to put away those balls into the penalty area.

BRIT SAYLOR

CAPTAIN

Hello everyone,

I was buzzing hearing your noise last week. That moment when the whistle blew and the smoke and confetti cannons went off, it gave me chills and was really exciting! We wanted to win for you, you back us every Sunday no matter where we are and it was disappointing not to win for the fans. Having so many kids and mascots too was incredibly special.

I thought it was a hard-fought battle with Ebbsfleet. We played well for large chunks of the game, it was just individual moments of brilliance from them which caused us to concede a few goals, combined with us shutting off for a few minutes. Overall though, I felt we played really well.

Sometimes, losing when you have been the better side, as I felt we were, can be more frustrating than losing when playing poorly. However, the performance gives me great hope for the season, and I think Ebbsfleet were shocked with how we played, it took them a while to work us out. There was a water break during the first half, which gave them time to sort themselves out and they scored

pretty much straight after it. That break possibly halted our momentum too.

It was really exciting to see Summer Roberts in action. I felt like she was able to let loose and enjoy herself, she constantly occupied their backline and was a nuisance. I also enjoyed watching things from training come together on the pitch, including being patient, moving the ball around, and selecting the right time to attack with pace.

**Hope we are celebrating a win with you later,
Brit**

DULWICH HAMLET WOMEN FC

FORMED 2019
STADIUM Champion Hill
CAPACITY 3,334
MANAGER Ryan Dempsey
NICKNAMES Pepper Army

2023-24 will mark the fifth season for Dulwich Hamlet Women, since the players and staff of AFC Phoenix merged with the Hamlet in the summer of 2019.

Phoenix had worked its way through the ranks of the football pyramid to the London & South East Regional Women's League (Tier 5) after a title-winning 16-17 season.

After two consecutive second-place finishes and a cup final win, the decision was made to seek out the support the women playing for the club deserved, and merge with an existing men's club that matched their ethos and ambition. After playing their final league game of the 18-19 season at Champion Hill, narrowly losing to Kent Football United and missing out on promotion, the two clubs would link up and our women's side was born.

Heartbreak would hit the side in their first season, as manager Farouk Menia lost his battle with a long illness and passed away, with current manager

Ryan Dempsey taking over and continuing Farouk's excellent work, guiding the side to two top place finishes, only for the pandemic to intervene, and QPR were chosen by the league for promotion instead of the Hamlet in 2021, despite us having a greater points-per-game record across the two seasons.

After the near-miss of promotion to the National League, optimism was high ahead of 2021-22, but it would be a disappointing one for the side, as inconsistency saw them end the campaign in fifth. However, a first cup final as the Hamlet was reached, losing 2-0 to Ashford Town in the Capital Senior Cup at Meadowbank in Dorking.

2022-23 brought with it the continued rise of the Pepper Army, our faithful group of supporters, with league attendances averaging 350. The side would go on a club-equalling eight game unbeaten run during the spring, ending the season in fourth, and playing a match at the New Den on the final day of the season.

The highlight was undoubtedly the FA Cup run, with the side reaching the proper stages of the competition for the first time, with Aylesford then beat in Round One to set up a tie with Tier 3 Gillingham at home in Round Two. In front of a record 631 fans, the Hamlet could not force an upset, losing 2-1.

The club has also run a Reserves side throughout their time as the Hamlet. Beginning in Division 1 of the Greater London Women's Football League in 2019, the side would earn promotion to the Premier Division at the end of that season, and despite the pandemic, would

be chosen for successive promotions at the end of the 2020-21 campaign.

This meant they would join the London & South East Regional Women's League, competing one division below the First Team in Division One North, and would enjoy a very successful first season at the level, eventually finishing third behind Sutton United and Dorking Wanderers.

Last season was a much tougher year for the side, as despite another decent start, they could only finish ninth.

ASHFORD UNITED FC

FORMED	2022
STADIUM	Homelands Stadium
CAPACITY	3,200
MANAGER	Steve Howard
NICKNAMES	The Nuts & Bolts

Ashford United begin the 2023-24 season off the back of a truly memorable campaign last season, in which they achieved a league and cup double, and with it promotion to Step 5 for the first time in their history.

This was the perfect end to a debut season under the Ashford United Ladies banner, with Ashford merging with the Nuts & Bolts in the summer of 2022.

The town of Ashford has had an established women's side for many years, with the side winning the Kent County Division of the South East Counties Football League in 2005-06 at Step 8 in the women's pyramid. Going into their final game of the season leading Gillingham Reserves by a point, a 6-0 win at Dover Reserves secured the title.

The next three years brought mid-table finishes in Division One East, before another promotion came their way in 2010.

The first taste of the Premier Division was not a happy one, losing all 16 of their games to return to Division One East, where, apart from a third-placed finish in 2013, it was again pre-dominantly mid-table finishes.

However, 2015-16 gave Ashford a championship title once again, finishing four points ahead of Prince of Wales in the table, exacting revenge for a semi-final defeat to the same opposition in the league's Chairman's Cup.

Premier Division life was smoother second time around, with fifth, eighth, third and sixth-placed finishes before the league become Division One South of the London & South East Regional Women's League in 2020.

After Covid-19 scuppered the 2020-21 season, Ashford would achieve another third-place finish in 2022, before they joined forces with Ashford United.

The Nuts and Bolts would enjoy a tremendous tussle for the title last season with Hastings United, with a 4-1 victory over Hastings in early May moving them four points clear with a game in hand. The league title was then earned in a 3-1 win at Eastbourne United in their penultimate game of the season. This came after Steve Howard's side had already won the League Trophy, defeating Clapton Community 5-3 after extra time at the end of April.

KEEP AN EYE ON...

Yasmin Howard

Captain who has been part of the Ashford set-up for many years. Since 2014, Yasmin has made more than 180 appearances for the club, and found the net more than 40 times too. Won Division One East of the South East Counties Football League in 2016, and lifted the L&SERW Division One South title last season, as well as the League Trophy, scoring in the final against Clapton. Scored in the draw at Enfield

Rebecca Wyatt

Hotshot striker who arrived in the summer of 2018 from Ashford Angels, and has gone on to have a phenomenal scoring record, with 150 goals for the club in just 83 appearances. After 44 goals in her debut season, Rebecca also comfortably scored more than a goal a game during the Covid-interrupted seasons and 2021-22. Last season she would net 48 times, including nine in the FA Cup as Ashford reached Round Two. Scored four against Crawley Wasps a fortnight ago.

INTERVIEW

CEYLON HICKMAN

Last week we spoke to Lucy Monkman about her incredible experiences in Australia and New Zealand during the Women's World Cup this summer. Ahead of today's game, we had a lengthy chat with Ceylon Hickman, who travelled Down Under for the whole month of games, taking in 13 matches in different cities, as well as a short spell as Monki's "tour manager..."

You've had a rather exciting summer haven't you Ceylon?!

It's been amazing, probably one of the best summers of my life. It was phenomenal, I left London on July 18th and got back on August 22nd so I was out there for the whole tournament,

watching 13 matches in total. I was based in Sydney in 'The Big Brother House' as it became known, there were eight of us staying there who work in women's football in various roles, and I also visited Brisbane, Adelaide, Melbourne and 48 hours in New Zealand as Lucy's tour manager!

New full time role for you?!

I didn't do a good job! I nearly made us late for the plane, I didn't pack my liquids in a clear bag, we slept through an alarm and nearly missed our flight so I wasn't the greatest tour manager in the world, but she called me 'Chief Vibes Officer' which I will take!

You almost joined a new team didn't you?!

Haha, the lovely Michaela Williams, formerly of the Hamlet, moved to Sydney a few years ago and I stayed with her on the first night. She plays for a team called Coogee United and I did some pre-season with them, a few training sessions with them. It was funny too as they have a massive rivalry with Dunbar Rovers, they hate each other, but Dunbar play in pink and blue whilst Coogee play in black and white so I had a bit of split loyalties! But Coogee were so welcoming, they had a lovely squad and it felt like Dulwich being replicated out there!

What was the atmosphere like in those matches and around Australia during the tournament?

Australia put on such a good show, they just know how to do live sport out there! Everywhere you went, there were posters advertising the Matildas so you could feel the vibe, and it did wonders for the tournament with them progressing to the semi-finals.

I was lucky enough to watch three of their games. I went to the opening game against Ireland in Sydney and it gave me goosebumps seeing 75,000 people watching women's sport, which seemed even louder than the big crowds we've had at Wembley recently. I also went to the do or die game against Canada in Melbourne and they won 4-0.

However the best game I went to was Colombia vs Germany. Linda Caicedo scored a stunning goal and the Manuela Vanega header were great moments. I was sat behind the Colombian dugout and their players erupted! There were so many Colombians, huge immigrant populations in Melbourne, Brisbane and Sydney, and they were all making the pilgrimage to watch them. We went out with the Colombians after that win to celebrate and it was very fun, bars and pubs were taken over by the fans.

From speaking to Lucy last week, you were so confident England were going to win weren't you?

I was gutted, it was a weird feeling as I'd never been so calm watching England play as I was in the final. Last summer was so nerve wracking during the Euros as we were at home and we didn't perhaps have high expectations to start with, but for the World Cup it was assumed we would do well. The Nigeria game was terrifying as they looked better than us and then of

course it went to penalties, but ahead of the final, I didn't know what to do with myself. We were all getting ready, doing our make-up and hair and I just said, "We could be getting ready for the best night of our lives!" Perhaps I was a bit too cocky, I was already planning my next tattoo!

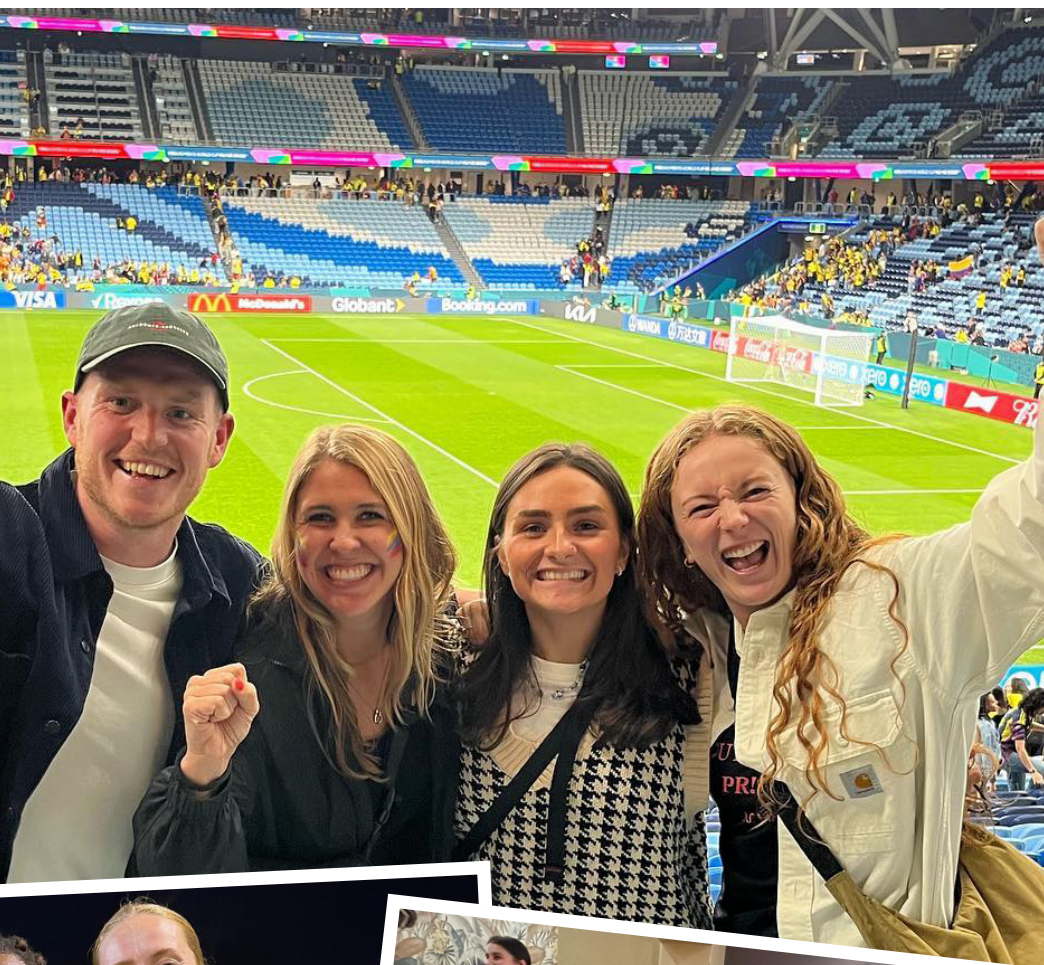

It was heartbreaking at the final whistle, but it was beautiful to share it with Lucy, I had her sitting on my left and Sarina Wiegman's dad on my right, and her twin brother the other side of him! It was an honour to talk to him, and have one of my best friends on my left too. We sat in silence at the end for a long time, and then I made a joke to break the ice and all was well again. It was Spain's time to win, and it has been a great catalyst for social change for women in the country.

Let's discuss the legacy that the Lionesses have created.

It's been massive. I also think they've got so much more to give which is exciting, they're not done just yet and there are younger players coming through who are hungry for their spots. There is part of me that wonders if I've just lived through the best ages but the rest of me thinks we will win the World Cup in the next decade.

People now have such an interest in women's football in their local area. At the top of the men's game, there are a lot of issues, abuses of power and privilege, high ticket prices, the Saudi Arabia factor, but now fans have this beautiful alternative on their doorstep. At Dulwich you can come down and feel part of the community, you're welcomed in by the fans immediately. Even in Australia I met two Dulwich fans, Vicky and Laura, and we started the Pepper Army chant and we were telling everyone to come down!

MATCH REPORT

HAMLET 2 EBBSFLEET UNITED FC 4

by David Diangienda : Sunday 3rd September 2023 : Referee: Iain Bryant : Attendance: 563 (+ 6 Dogs)

Goals from Summer Roberts and Brit Saylor in the second half weren't enough as the Hamlet lost 4-2 to Ebbsfleet United in their first home game of the season.

Following their defeat at Dartford two weeks ago, the Hamlet were looking to get back to winning ways at home in front of a strong Champion Hill crowd of 563.

Emerging to a cacophony of noise and kicking off to a shower of confetti and pink and blue smoke, the Hamlet got themselves off to a strong start, playing on the front-foot in the attacking areas and applied pressure to the visitors.

But it was Mia Lockett who created the first real opportunity in the 22nd minute of the game, as she cut the ball onto the outside and got a shot from her right foot only for her curling effort to go just wide of the post.

Another chance came seven minutes later as Roberts got a shot away on the edge of the penalty box only for her effort to be tipped over the bar by the Ebbsfleet keeper Courtney Shanly.

A minute later and despite the hosts dominating the game, the away side took the lead through Logan O'Shea. A clearance downfield caught out Erin Corrigan, and the former Billericay forward was able to turn inside Morgan Searle and curl a shot around Saskia Reeves-Priestley.

Things would go from bad to worse as Ebbsfleet would score their second goal in

just two minutes, as Amy Russ slotted her effort into the bottom right corner following a misplaced pass from Phoebe Read. Two mistakes and suddenly we were 2-0 down.

Dulwich's new number nine Roberts was certainly making herself a handful in and around the penalty area as her header from an Erin Corrigan cross went over the bar. Not only was she a goal threat towards the end of the first half, but she was also on hand to provide opportunities for her teammates, as she provided a through ball to Lockett who couldn't make the most of it in the end.

Into the second half, the Hamlet continued to create chances in search of a goal. Their persistence paid off ten minutes into the half as a great ball into the box from a corner kick from Lily Price found Roberts, who headed her effort into the back of the net.

And the home team thought they equalised four minutes later, but captain Brit Saylor's toe poked her effort agonisingly onto the post and wide.

The visitors would get their third goal of the game in the 65th minute through substitute Amelia Woodgate. Last season's top scorer had been on the pitch for just three minutes when she received a ball on the outside of the penalty area, sending a drive crashing over Reeves-Priestley and in via the crossbar.

Despite this, Ryan Dempsey's team continued to battle hard and were

unfortunate not to get a second goal in the game, as Lockett hit the bar with an audacious attempt with the outside of her right foot.

This would be short lived as Dulwich conceded a fourth goal as Woodgate beat the offside trap to slot in scored her second goal of the game, two goals in just fifteen minutes for the striker.

The hostesses would finally get their

second goal four minutes from time as Saylor scored from the penalty spot after Lockett was brought down in the box.

Another defeat for the home side but there were many positives to pick out despite the scoreline, with Ryan's side playing the better football throughout the afternoon and deserved their rousing send-off from the pitch.

DHFC MEN

Following the three league defeats in a row, attentions turned to the FA Cup, with the Hamlet entering at the First Qualifying Round stage for the first time since 2017.

They faced league rivals Haringey Borough, who came into the tie having collected a solitary point from their five league games.

The sides met at Champion Hill last Saturday, and it was the hosts who would go ahead, as Danny Mills was bundled over in the penalty area, allowing Luke Wanadio to give us the lead from the spot in the 17th minute.

However, Borough would earn a replay, as Matt Young levelled in the final minute of the game, also from 12 yards following a foul by Sanchez Ming.

So, to Tuesday's replay, which brought a swift end to our competition, with Haringey winning 2-1. Khalifa Jabbie had struck before the break, and things got worse when Kasim Aidoo fired in a second soon after the restart.

Kreshnic Krasniqi scored in the 89th

minute to reduce the deficit, but it was too little, too late.

Hak's side are now not in action until the 23rd of September, with trips to Billericay Town and Hornchurch off, the former due to us having three players on international duty, and the latter due to their progress to the next round of the FA Cup.

Congratulations to Craig Braham-Barrett and Adrian Clifton for their call-up to Montserrat, and to Miquel Scarlett for Guyana, and we wish the trio well in their CONCACAF Nations League matches over the next few days.

Hakan has also recently signed defender Marvel Ekpiteta, a centre-back who was with Billericay last season and who possesses a wealth of non-league experience.

Buy your tickets for our next home game against Concord Rangers on Saturday 23rd September on Fanbase now. Tickets cost £12 for adults, £5 for concessions and are free for U13s.

EBBSFLEET UNITED

VIEWS FROM THE PEPPER ARMY

EMMA WARREN

The Toilets Opposite Stand had never looked better, bedecked in the Northumbrian flag, inflatable chillies and assorted spicy paraphernalia. An expectant crowd gathered for the first women's home match of the season, sadly not quite record breaking but with impressive numbers for early September. Even the weather came to the party, the sun adding literally to the figurative heat of the spicy football to come.

And come it did, heralded by a barrage of confetti cannons. As the debris, guided by a mischievous gust of wind, floated over the pitch to put the Hamlet at risk of a fine, the sizeable crowd gathered in the Toilets opposite looked like a Pollock painting, with pink and blue cornflour sticking to sweaty faces.

Newcomers didn't know what hit them. The Ebbsfleet players looked more rattled by the Pepper Army in full flow, bellowing out Bella Ciao and inspiring the biggest crowd yet to join them in the Toilets Opposite Stand. Despite the depleted songbook from the summer's personnel changes the singing continued with gusto, although with a few Spice Girls based false starts.

Despite the scoreline at times leading to a brief pause in the merriment, it seemed a joyous time was had by spectators old and new, with the only nod to the current serious happenings in women's football with the beautiful "Contigo Jenni" banner in pride of place pitchside. Sadly, the resurrected velcro scoreboard was a less inspiring sight, with a few defensive mistakes leaving the Hamlet trailing.

There were a few heated moments, with tempers flaring amongst the Pepper Army faithful at the failure to account for the canine attendance figure. Sadly, few owners took up the suggestion of a wander through the toilets opposite stand to allow a tally to be made.

The first women's home game started with a bang, but certainly didn't end with a whimper - the Pepper Army split themselves between enjoying the post match sunshine and raving to Paris Hilton as the DJs kept the clubhouse hopping into the night.

We may have not broken the attendance record (yet!) but we did show of the immaculate Spicy Sunday vibes to plenty of new faces we hope to see again soon!
